Marrying magnificently in the wedding location Elb Lounge.

This wedding location in Hamburg is a noble mansion built in a 17.000m² marvellous garden located on one of the best addresses – the Elbchaussee. Experiencing special moments: wedding couples rent the whole estate for the wedding ceremony and the following celebration. Make yourself at home and spend your wedding night in the romantic wedding suite with a fire place and starry sky.

The perron will lead you to the park from the terrace in the main floor – ideal for the unforgettable appearance. The big balcony in the first floor invites for example for musical company during the reception or the whole evening.

The Elb Lounge as your wedding planner will organise everything into the last detail to provide a stress free and the most beautiful day of your life.

There is room for up to 160 guests for a seated dinner or even 600 guests during a standing/ cocktail reception.

Enjoy the most beautiful day of your life in one of the most breath taking wedding locations in Hamburg.
